

Dear Sponsor,

Health care professionals urgently require answers to many questions about women's health. Whether it's you, your daughter, sister, mother, grandmother or partner – at various points in a woman's life cycle, each one of us may be touched by a health condition that often leaves us devastated.

The Women's Health Research Foundation of Canada, a Winnipeg based charity, raises funds to support graduate students who are conducting the best research about women's health at the University of Manitoba. From our past successful golf tournaments, over \$40,000 was raised and matched by the University of Manitoba enabling us to achieve our past goal of obtaining a perpetual annual \$3000 award for a full-time graduate student. Our new goal is to raise enough funds to support a \$1500 annual award for a part-time graduate student conducting research about women's health at the University of Manitoba. Beginning scientists in the area of women's health require our support to answer important questions and enhance women's health.

The 5th Annual Fore Women's Health Ladies Golf Tournament will be held at Bel Acres Golf & Country Club on Thursday, August 29, 2013. This event is highly dependent upon the support of all members of the community. We invite you to participate as a sponsor in this sell-out event that will host 144 lady golfers. The enclosed package will assist you in choosing the best option for your organization.

Sponsorship opportunities include but are not limited to:

- The title sponsor. Your company name and logo will be headlined on all tournament material (email tag, website, posters, facebook, and twitter) and the tournament will be entitled, "[Company name's] 5th annual Fore Women's Health Tournament."
- A hole or contest sponsor: Your company name will be highlighted on the signage at the designated hole and recognized in the banquet brochure.

The next page will provide you with details about the various sponsorship levels. We look forward to meeting with you soon to discuss your support of this fund-raising event.

With gratitude,

Dr. Donna Martin and Ms. Sandra McKenzie, Co-Chairs
