

**Be a Corporate Donor
and Support Women's Health Research
DANCE FOR YOUR HEALTH FUNDRAISER
THURSDAY, MAY 9, 2024**

When you partner with the Women's Health Research Foundation of Canada, you are supporting the development of local graduate researchers and raising awareness for essential research around critical health issues in women and gender-diverse people.

Your sponsorship supports scholarships and inspires students!

Research in women's health is understudied, underrecognized and undertreated. Our mission is to champion research to improve the physical, social and psychological well-being of women and gender-diverse people through scholarships and other awards.

Since 1992, we have awarded over 50 scholarships to students at the University of Manitoba. **This year, our fundraising goal is to endow a third full-time graduate student scholarship.** These awards help to fill funding gaps in women's health research and encourage students to develop a career in this much needed field.

Dinner, Dance and Fun – a night to remember

After a four-year hiatus, we are so excited to bring back our signature fundraising event called **Dance for Your Health**, which has raised thousands of dollars towards student research scholarships. We expect to attract over 100 guests. It's an evening of fabulous food, including performances from Bollywood Fusion dancers and dance instruction at the Charisma of India Restaurant, 83 Sherbrook Street in Winnipeg, on **Thursday, May 9, 2024.**

You will also hear from our most recent scholarship winners who will speak briefly about their research.

Partner with us

Help us continue this movement to advocate for better health in women and gender-diverse people by becoming a corporate donor for this signature event.

Your contribution of \$1,200 includes:

- Recognition at the event and post event
- Your organization's name and logo on the program, website, emails and social channels
- Two tickets to the dinner and dance with priority seating

How to sponsor

To secure your sponsorship, complete the information below and send by email to whrfc_inc@yahoo.ca. You can submit your payment by Interac e-transfer or PayPal by visiting our website at www.whrfcinc.com.

We also accept payments by cheque. Please mail to:

**Women's Health Research Foundation of Canada Inc., Box 61019, RPO Grant Park,
Winnipeg, MB R3M 3X8**

If you have any questions or alternative models for how your organization might be interested to support this event, please contact Cathy Cordileone at 204-232-7749 or email us at whrfc_inc@yahoo.ca.
